1. A vehicle shall be driven as nearly as practicable entirely within a single lane, and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety;

2. Upon a roadway which is divided into three (3) lanes, a vehicle shall not be driven in the center lane except when overtaking and passing another vehicle where the roadway is clearly visible and such center lane is clear of traffic within a safe distance, or in preparation for a left turn, or where such center lane is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding and is signposted to give notice of such allocation; and

3. Official signs may be erected directing slow-moving traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction, regardless of the center of the roadway, and drivers of vehicles shall obey the directions of every such sign.

A. Except when directed to proceed by a police officer or traffic-control signal, every driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop before entering the crosswalk on the near side of the intersection or, in the event there is no crosswalk, shall stop at a clearly marked stop line, but if none, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway before entering the intersection.

B. After having stopped at a stop sign, the driver of a vehicle shall yield the right-of-way to any vehicle which has entered the intersection from another street or which is approaching so closely on the street as to constitute an immediate hazard, but the driver having so yielded may proceed and the drivers of all other vehicles approaching the intersection shall yield the right-of-way to the vehicle so proceeding.

The driver approaching a yield sign shall yield the right-of-way to any pedestrian legally crossing the roadway on which he is driving, and to any vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard. The driver having so yielded may proceed and the drivers of all other vehicles approaching the intersection shall yield to the vehicle so proceeding, provided, however, that if such driver is involved in a collision with a pedestrian in a crosswalk or vehicle in the intersection after driving past a yield sign without stopping, such collision shall be deemed prima facie evidence of his failure to yield right-of-way.
